Glossy or Lustre.

The Océ' LightJet® image quality is the gold standard in professional imaging. The LightJet® delivers continuous tone images on photographic material up to 30x40. Since the LightJet® printers continuous tone photographic media, each point on an image can be any shade of 68 billion colors. The higher range of possible colors results in more accurate representation on color sensitive areas such as skin tones.

SERVICE: 7-9 DAYS

60.1 to 80 MB (up to approx. 17x20 at 300 dpi)	\$79.45
Above 80 MB add an additional \$.75 per MB	
Prices include a Free CD	

Maximum original size from a print is 11x17.

Pre-press quality film scans from transparencies, reflective, slides, negative, positive, color, B/W, lineart and printed material are made on our Scitex Eversmart Pro scanner with resolution up to 8200 dpi maximum scanning resolution over the entire format, 3175 dpi maximum optical resolution over the entire format. All scans except Internet/FPO delivered in RGB TIFF format. Specify MAC or PC format.

For optimum image quality we scan into the RGB, Adobe 1998 color space. Have your printer or service bureau make the final conversion to CMYK. If we were to provide a CMYK scan without knowing your printers' requirements, color fidelity may be affected and the resulting scan may not be optimized for your needs. Swan Photo is not responsible for final four color image quality.

*FPO SCAN-FOR POSITION ONLY: Quick, final images not extensively cleaned. Not suitable for reproduction. 72 dpi @ 5x7 size JPEG Format.

SERVICE: 4-5 DAYS

FPO SCANS: 2 DAYS.

DIGITAL RESTORATIONS

Level 1: Light Restoration	\$ 49.95
Level 2: Moderate Restoration	\$ 69.95
Level 3: Medium Restoration	\$ 99.95
Level 4: Heavy Restoration	\$129.95
Level 5: Severe Restoration	\$179.95

Price includes a Free Gold Archival CD and one 5x7 print.

Swan Photo Labs offers 5 "levels" of restoration. These vary from light restoration to severe restoration. We make a high resolution scan of the original then our talented digital artists restore and / or enhance the photo. The final images are digitally output on glossy or lustre paper. One (1) 5x7 print is included in restoration price. Please consult with our customer service representative to assist in determining restoration level.

Prices above include a normal scan from slides, negatives or prints up to 11"x17".

No Framed prints or Glass prints accepted.

SERVICE: 8-10 DAYS.

DIGITAL IMAGE RECOVERY

\$.59 per image + \$7.95 saved to Archival Gold CD

Recovery of whole cards only. Available from most camera cards.

SERVICE: 7-10 DAYS.

ULTRACHROME DIGITAL ENLARGEMENTS

Outstanding quality digital prints from almost any source.

SERVICE: 5-6 DAYS PHOTOGLOSS, PHOTOMATTE AND WATERCOLOR.
9-10 DAYS CANVAS

DIGITAL NOTES

For best results files should be submitted as 8 bit RGB JPEG format. File size should NOT exceed 300 DPI @ output size. If submitting TIFF files make sure no layers are included.

Swan Photo Digital utilizes the latest color management technology from X-Rite. Our digital systems are calibrated and profiled, enabling accurate and consistent control. When we display an image on our calibrated monitors, what we see matches our output devices.

Different computer systems, output devices and color spaces will display and print files differently. What you see on your monitor and what is reproduced on your desktop printer will likely be different from what we see and what our devices print. Likewise, CMYK, spot and Pantone colors or other colors created in the computer will print with great variability on differing output devices.

If you can provide us with a hard copy proof of your original we will do our best to match it. Exact CMYK to RGB and RGB to CMYK conversions can not be guaranteed.

We currently accept negatives, slides, transparencies, CD, DVD, CF Cards, Smart Media, Memory Stick, Secure Digital, XD, Memory Stick Pro.

DUPE SLIDE SERVICES

<u>From:</u>	<u>1st</u>	<u>Add'l</u>

There is a \$3.00 minimum for all reprint orders.

PREMIUM PRIORITY OVERNIGHT SERVICES

- Service:** If you are in a rush, we can accommodate. Our Premium Priority Service allows you to receive guaranteed overnight service on most services by Swan Photo Labs.
- Cost:** Premium Priority Service orders are priced at two times (double) our published prices. There is a \$10.00 minimum charge for this service.
- Instructions:** Premium Priority Service is available on a limited basis by calling our Customer Service to receive a verification number. The verification number must be written in the Special Instruction area of the processing envelope. Premium Priority Service orders are logged in upon receipt by the lab and tracked until shipping the next morning.
- Note:** Please remember, Premium Priority Service is ***only*** available by calling in to receive a verification number. Call (800) 252-1187.

TERMS & CONDITIONS

BUSINESS HOURS: Customer Service Hours are 9:00 AM to 5:00 PM, Monday through Friday.

TERMS: Payment upon delivery, unless an open account has been established. Open account terms are Net 20 EOM. Accounts over 45 days unpaid are automatically placed on COD. A \$25.00 service charge will be assessed on all returned checks. Deposits may be required on COD orders. Cash, check, Visa, Mastercard and American Express accepted.

SERVICE CHARGE: A 1 1/2% per month (18% annually) late charge will be assessed on all past due accounts.

SALES TAX/RESALE: All orders will be assessed the appropriate sales tax unless we have a valid resale card on file.

LIABILITY: Swan Photo Labs exercises reasonable care in handling all film, negatives, digital images, digital cards, CD's, videos, movie films, etc.. Our company, subsidiary, or agents do not assume responsibility for loss or damage due to mechanical or human failures which could occur due to delicate materials and process involved, including fire, theft, negligence etc., except to replace damaged film with unexposed film of the same kind. Dyes used in color materials may change in time. These products are not warranted against change in color or density over time. Swan Photo Labs does not warrant that the function of digital files will meet all your requirements. No other warranty is offered, expressed or implied.

COPYRIGHT: Purchaser represents and warrants that by requesting Swan Photo Labs to reproduce any copyrighted work, purchaser has either:

1. Ownership of the copyright, or
2. Obtained permission from the copyright owner to reproduce, distribute and display such work. We must have written confirmation of this.

PRINT REGARDLESS: If a negative, transparency or digital file is of such poor quality that a good quality reproduction cannot be produced from it, then it will be printed only on a "print regardless" basis with no possibility of a remake.

OUT-LAB SERVICES: Quality is not guaranteed from old film, negs, slides, etc. No credit will be issued for refused orders.

RE-MAKE POLICY: When submitting an order for re-make consideration, it is necessary to return original envelope, prints and/or film within 14 days of original order. Please describe the error and include an explanation of what should have been done.

DELIVERY: All delivery times are approximate. Add up delivery times for orders with multiple sizes or types of work.
